

## MAP FALL 2020 Course Material List

Listed below are all MAP courses and materials for Fall 2020. Items purchased from the Marian University Bookstore can be charged to your student account, as well as other convenient charging options. Visit the campus bookstore in Alumni Hall, the online bookstore at [www.marianstore.com](http://www.marianstore.com), call 317-955-6314, or email [bookstore@marian.edu](mailto:bookstore@marian.edu) for all your course material needs and questions!

Some titles may have an eBook pairing that is suitable in lieu of the physical ISBN on this list. It is recommended that students purchase books no earlier than four weeks before the start of the course, as titles and availability are subject to change.

### Important notes when ordering:

Ebooks are digital formats of a book. In the example on the right is the “Digital” rent option.

Access codes are physical cards with a printed code that gives access to various extras including the eBook depending on the publisher (i.e. digital labs, homework assignments, quizzes, tests, etc). Therefore, do not wait until the last minute to order because access codes are not delivered electronically; they are mailed to you.

The campus bookstore guarantees a 24 business hour turnaround for online orders unless an item is backordered. Please be aware of your mailing address and shipping speed in relation to the Indianapolis campus.

**If in doubt, please contact your instructor directly or the MAP office prior to purchasing.**
